As a user i want to have access to multiple ways to donate to the cause

As a user i would want not just a way to donate money but also a way to donate supplies

As a parent, i would want a friendly enrolling process for my kid

As a user, I want to be able to access the provided services so that I can get people help.

As a user i would want to be able to immediately know where to go to donate just from one look at the website

As a Website owner, having publicly available forms for enrolling into a program would make organizing
